October 27, 2017

**EPA Response by RC Transportation LLC, Evansville, Indiana**

Our trucks are worked on by local shops in the area where they are located. We do not ask them to modify our vehicles other than stock repairs, and our entire fleet of trucks is currently stock.

On three trucks we used Detroit EGR Performance Module for series 60, part number 386103 which was purchased from Hank Enterprises Inc., 3611 MT Holly Road, NC 28216. Those three trucks were:

Unit 561T 2007 Freightliner Columbia/vin# 1FUJA6CK57LX75428 DDE6067HV6E 06R0906824

Unit 563T 2007 Freightliner Columbia/vin# 1FUJA6CK77LX75429 DDE6067HV6E 06R0913021

Unit 564T 2007 Freightliner Columbia/vin# 1FUJA6CK37LX75427 DDE6067HV6E 06R0933368

On Unit 3101T vin# 1FDBF2AT0BEB42524 6.7 Powerstroke 2011 F250, we had a local shop put a tuner and pipe on it for 3 months, we have since had the vehicle put back to stock. I do not know the part number, but I believe it was SCT programmer X4.

On Unit 3103T vin# 1GB0CVCL1BF1137236 6.6 Duramax Diesel 2011 Chevy 2500, the DPF failed and we had it deleted for six months then it was put back to stock. We do not have the receipt for this truck and do not know the part number of the tuner.

If you are in need of any additional information please contact me.

**Appendix E**  
**Statement of Certification**

You are submitting the enclosed documents in response to the U.S. Environmental Protection Agency's ("EPA") Request for Information, issued pursuant to Section 208(a) of the Clean Air Act, to determine compliance with the Clean Air Act and its affiliated regulations.

I certify that I am fully authorized by Paul D Wolfe [corporate affiliation] to provide the above information on its behalf to EPA.

I certify under penalty of law that I have examined and am familiar with the information in the enclosed documents, including all attachments. Based on my inquiry of those individuals with primary responsibility for obtaining the information, I certify that the statements and information are, to the best of my knowledge and belief, true and complete. I am aware that there are significant penalties for knowingly submitting false statements and information, including the possibility of fines or imprisonment pursuant to Section 113(c)(2) of the Clean Air Act, 42 U.S.C. § 7413(c)(2), and 18 U.S.C. §§ 1001 and 1341.
